Caddy

Instant Cheer

Raising the benchmark on fun and quality at work

When one walks into an office, whether for work or just a visit, it is always nicer to be greeted by a bright and cheerful welcome.

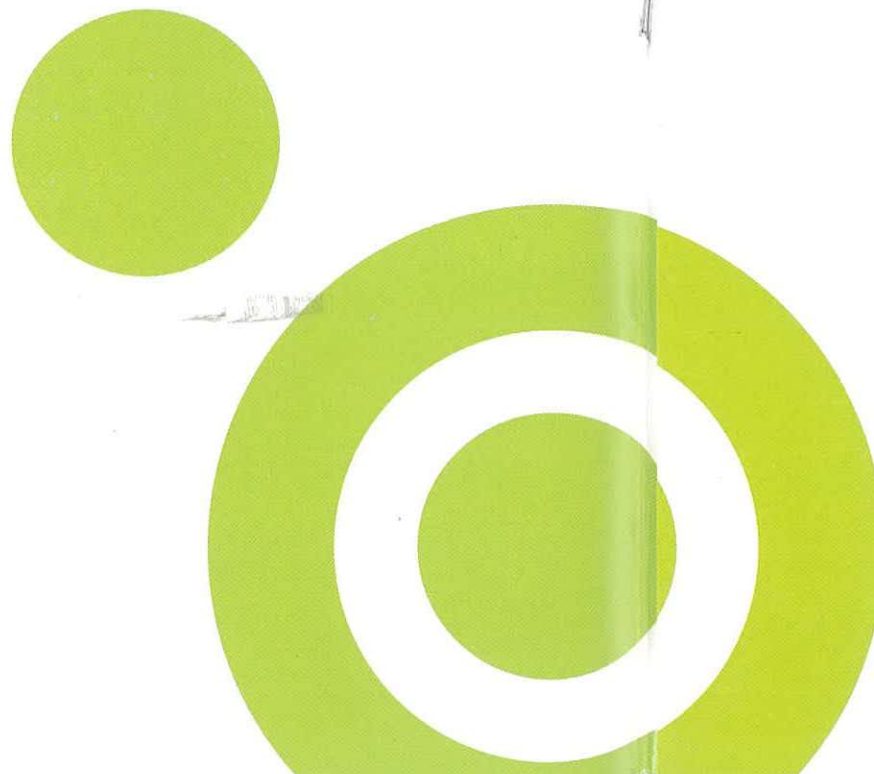

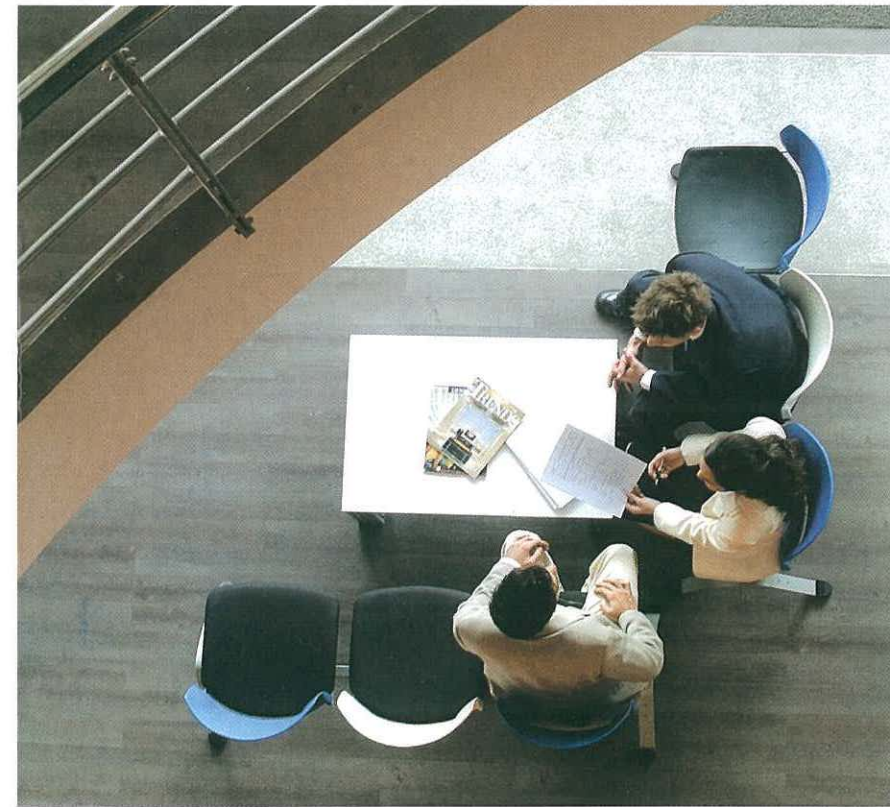

That's the effect of Euro Caddy Chairs.

Fun in attitude but sturdy and reliable in character, the Caddy adds a breath of freshness to any work environment. Whether it's the space-saving Caddy Stackable Chair, or the out-stretched Caddy Link Chairs that you choose, you're sure to achieve a warm and cheerful ambience all around. And they're available in a spectrum of striking colours to suit any colour theme.

To say it is just a chair would be an understatement. At Euro, we call the Caddy instruments to inspire fun at work.

Light and easy

Made from durable hard plastic, the Caddy is light, so you can move it around to your convenience and fancy.

How high can you stack?

The Caddy Stackable Chair

Have as many as you wish, for storing the Caddy Stackable Chair has never been a problem. Just stack them up.

Multi-purpose and multi-tasking in nature, the Caddy Stackable is available in white, blue, green, grey and black to suit every occasion.

Each comes with the options of castors, arms, in plastic shells or fabric. Even the addition of an ergonomically-designed tablet arm is up for your choosing.
