EURO[®]

It's about perfection

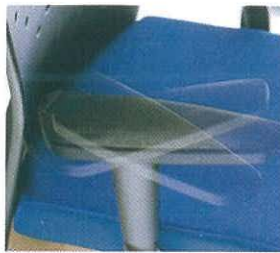

A contemporary refinement in design that uses new material compositions and structural flexibility.

Equipped with a new lightweight perforated plastic backrest,

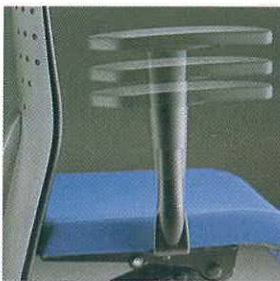

G2 is the futuristic creation "Featherweight Outlook".

With flexibility in mind, **G2** can be fitted with different options of armrest. **G2** ... A direct interpretation to the modern working environment.

Armrest can be rotated to accommodate optimum arm support.

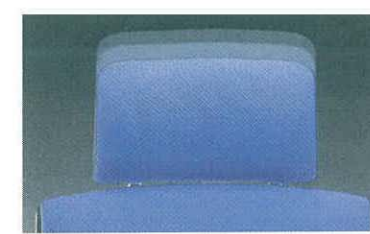

Armrest support with 60mm height adjustments.

Armrest height can be adjusted to suit each individual needs.

It's about comfort

G2 offers additional features that includes upholstered backrest and headrest in rich fabric. Ergonomically designed to provide maximum posture comfort. Weight adjustable mechanisms are fitted to suit individual's body weight thus optimising seating comfort.

Height adjustable headrest to suit individual headrest position.

Dynamic positioning of headrest cradles your head and neck comfortably.

Optional adjustable seat "Front Tilt" angle to adapt to comfortable knee position.

Above :

The synchronised mechanism adapts the counterpressure of the backrest to the user's body weight.

Below :

Height adjustable backrest ensures maximum comfort in consideration of user's upper body and weight.

It's about simplicity

"Simple & Sleek" defines the **G2** as the most optimum seating solution, suitable for visitors and conference room. Where "First Impressions" matters, **G2** is the sensible choice.
