P R E S I D E N T

After years of extensive study, Euro Chairs is proud to reveal its latest development in dynamic seating - PROTOCOL PRESIDENT. Integrating a perfect synthesis of design and technology at all levels, the PROTOCOL PRESIDENT series is projected towards the most modern forms of communication.

This classy collection is specially created for the seating pleasures of the top helm of management. Company Board of Directors, Chairmans and Presidents who need responsive chairs because their active work styles demand it, these chairs physically support the user's body without aesthetic compromise.

The PROTOCOL PRESIDENT series is visually dynamic. The use of luxurious, high quality leather in this collection further enhances its already distinguished appearance and allows the user to make a dramatic, personal statement.

PROTOCOL PRESIDENT - the epitome of style and substance for today's highflying leaders.
